## -PET POLICY-

Dear Laguna Reef Guest,

We welcome you and your K-9 pet to the Laguna Reef Hotel and Resort. We do not currently accept cats.

As pet owners ourselves, we value the special relationship of man's best friend. We are committed to keeping our hotel pet-dog friendly, and to do this, we have outlined a few important policies to assist us in keeping your pet and other pets safe, happy, and healthy.

- 1) Only two pets are allowed per guest registration for a suite or ground floor guest room.
- 2) Please keep your pet on a leash at all times when not in your personal hotel accommodations. This is for the safety of your pet and the consideration of other guests.
- 3) To insure the safety of our team members and your pet, you must be present for our housekeeping staff to clean your room.
- 4) We have two pet walking areas. One is located on the East side of Water Street long the fence line. The other area is located on the south side of the parking lot along Austin Street. A trash can and clean up bags are located in these areas for your convenience. Please pick up after your pets.
- 5) Pets are not allowed inside the Pool Fence, Pool or Breakfast area.
- 6) Please do not leave your pet unattended. They should not be left alone on the hotel balconies. Please monitor your pet's barking. If other guests complain of excessive barking and you are unable to control your pet, you *could* be asked to depart the hotel with no financial adjustment on your hotel bill.
- 7) The Daily Pet Charge is \$7.00 per pet. A minimum Cleaning Fee starting at \$50 will be applied to your credit card after departure if your room requires additional cleaning, deodorizing and/or carpet shampoo.
- 8) **Effective December 1, 2007 you must have proof of your pet's current vaccinations as follows:**
  - (1) Rabies Shot ( Required by Texas Law)
  - (2) Bordetella Shots
  - (3) DHPPC Records

You will need to have these items with you at check-in OR, you may have your veterinarian's office fax the documents for each of your pets. Our fax # is: 361-729-1742. The records must be at the front desk prior to check in. This is for the well being of all pets.
